

MO HEALTHNET'S SYSTEM MAINTENANCE SCHEDULE

MO HealthNet schedules regular maintenance. The Missouri Medicaid Management Information System (MMIS) scheduled weekly outage window is Saturday and Monday 12:01 AM – 02:00 AM Central Standard Time (CST)\Central Daylight Time (CDT).

There may be downtime during a weekly maintenance window. When necessary, these are scheduled on Wednesday 10:00 PM – 12:00 PM CST/CDT.

In the event of non-routine or unscheduled downtimes, the information will be posted on MO HealthNet's eMOMED Portal www.emomed.com.
