STATEWIDE HEALTH INFORMATION EXCHANGE

5010/D.O

Mindy Mazur

Mindy Mazur is the Director of Public Affairs & Communications for **Missouri Health Connection**, Missouri's state-designated entity to develop a statewide health information exchange (HIE) to improve patient care and increase efficiency. In that role, she is responsible for communicating MHC's development strategy and vision, and managing exchange development relationships.

Prior to joining Missouri Health Connection, Mindy spent more than a decade working for state and federal government offices, non-profits and campaigns. She served as the Chief of Staff for the Missouri Office of Secretary of State and as a congressional legislative aide in Washington, DC. Mindy has managed two statewide candidate campaigns, worked with presidential and congressional campaigns, and served as the statewide director for a coalition of non-profit and issue advocacy organizations. In 2008, Mindy co-hosted "Midwest Talking Points," a weekly bi-partisan political TV talk show for Charter Communications. Mindy has a Bachelor's degree from the University of Missouri; and a Master's degree from The George Washington University where she was honored by the faculty with the Meredith Miller award for her commitment to public service. She lives in Ashland, MO with her husband.

Barbara Gerke

5010 Project Leader for Carondelet Health. Past project manager for NPI. Current MOSNIP transactions and code sets chair.

Thom Ryan

Thom Ryan began his career with WPS in the Tricare division. He worked in a variety of different rolls before moving to WPS Medicare Provider Outreach and Education. He has been in his current position for over five years. As a senior analyst, he focuses on use of self-service tools and educating providers.

Christol Green

Christol Green, Sr. EDI Business Consultant for WellPoint, Inc. EDI Trading Partner Relations and Strategic Initiatives division. Ms. Green has 25 years of health care experience, and for over 15 years, has been active in implementing and integrating health care electronic transactions. Christol has been involved with industry groups such as Workgroup for Electronic Data Interchange (WEDI), HIPAA Plan Advisory Group (HPAG), National Plan Automation Group (NPAG), Colorado SNIP and HIPAA COW (Collaborative of Wisconsin). Christol began working for BCBS of CO/NV in 1998 which is now under the WellPoint/Anthem Umbrella.

Prior to joining the WellPoint/Anthem Team, Ms. Green worked on the Provider side of health care including Billing Services and Laboratory operations. She has a degree in computer programming and a certificate in accounting.

Randy Lock

Program Manager. Wipro Infocrossing, MMIS Fiscal Agent. 25 years of Medicaid IT and Management experience. 20 years Missouri and five years Kansas experience. PM of 5010/D.O & ICD-10 for past year. Currently, PM of day-to-day maintenance and development of the Missouri MMIS.

Speakers/Panelists

THANK YOU TO OUR SPEAKERS!!

Susan Ackley

Susan Ackley is the Director of Standards Compliance for Cognosante, a health care consulting firm which works at the federal and state levels across administrative, clinical and financial systems, and at the policy, business process and technology levels. In this role Susan is responsible for the ICD-10 practice as well as for solutions to address other health care mandates. Susan has 25 years of health care experience as a clinician, patient advocate, business process engineer, project manager and change agent. Most recently, Susan spent 5 years with the Arizona Medicaid Program before moving to Cognosante in 2010. She is a co-chair of the ICD-10 Implementation sub-workgroup for the Workgroup for Electronic Data Interchange (WEDI) as well as the ICD-10 lead for the National Medicaid EDI Healthcare WorkGroup.
